This villa is located in the heart of Deià and enjoys amazing and open views to the village, the mountains and to the sea. Due to the location, it enjoys sun all year around. The property has plenty of potential and as it is on urban land it can get the permit to build a pool and the house can be all legally renovated. The parking and land around are exceptional for this kind of location. This is a great opportunity to live in the center of Deià, close to the best restaurants in town and at the same time in a peaceful location with amazing views.
