This special finca is located in La Muleta in Port de Sóller. You are purchasing an exceptional property and a large plot in a very special, secluded location on the northwest coast of Mallorca. The architecture and materials used are authentic and typical of this Mediterranean zone - the house was built around 15 years ago. The property contains all modern technology. The wonderful sea view, the many terraces around the house, the large garden and the saltwater pool complete the comfort. A unique property.
